Major Safety Initiatives

- Improve Communications/Sharing of Information
- Training
- Tenant Safety Meetings/Partnering with other entities

Improved Communications/Sharing of Information

- Safety Manual
- Newsletter
- Incident/Accidents updates
- Annual facility audits
- Job Shadow program

Training

- Safety Topics for 2007 include:
 - Back Safety
 - Bloodborne Pathogens
 - Hurricane preparedness
 - Heat Stress
 - Electrical Safety
 - Vehicle Driving Safety

Critical safety topics

Annual

1. BBP
2. Electrical Safety
3. Fall Protection
4. Fire Safety
5. Hazard Communication
6. PPE
7. Storm Water

Bi-annual

1. CPR/First Aid
2. Hearing Protection/Dosimeter readings

Partnering with the Fire Department

- JAXPORT Headquarters Fire Drill
- High angle vessel extraction
- Crane extraction
- HAZMAT response team

Tenant Safety Meetings

Key Initiatives

- Traffic Control/Designated Parking Spots
- Improved markings on intersections
- Housekeeping improvements
- Improved communication with Tenants
- Give quarterly accident/incidents update

Rewards and Incentives

- Employee Suggestion Program
- Semi-annual Safety Incentive Meals
- Monthly posting of Safety Numbers

JAXPORT's Safety Record

- As of April 24, 2007 the following work areas have completed the following number of days without a recordable injury:

JAXPORT Headquarters: 459

Blount Island/Dames Point: 103

Talleyrand: 285
